## Activity Highlights 2019

### Children

The IVL Foundation supported Kenan Foundation Asia to arrange 'Teacher Professional Development Program' for Science teachers in Rayong and an 'innovation camp' for students in Rayong. 30 teachers from 30 schools have participated in the development program, and 58 high school students participate in the innovation camp.

Children's healthcare is one of our core value. The IVL Foundation partnered with Operation Smile Thailand to help the underprivileged with cleft conditions or other facial deformities to receive safe surgeries at no cost. 227 out of 332 patients passed the screening process and were admitted for surgery.

The Jogmaya Tea Estate Pvt Ltd is located at a height of 3,000 meters in Kurseong, Darjeeling District, India. In order to grant access to important facilities such as hospitals and schools to women and children, the IVL Foundation has donated the Bolero Pickup to the villagers with the hope that it will improve their quality of life.

The IVL Foundation donated 30 sets of creative and sensory toys to the Rajanukul Institute to help with the development and the advancement of autistic children. The Rajanukul Institute has distributed more than half of the donated toy sets to 16 hospitals for use by autistic children while the rest of the toy sets were shared among 16 internal units of the institute.

As Education is one of the IVL Foundation's Pillars, the IVL Foundation supported the Good Shepherd Home Foundation in providing the Academic & Life Skills Education Programs to the refugee children. From March 2019 - February 2020, we have supported a total of 164 children from Afghanistan, Cambodia, Iraq, North Korea, Pakistan, Palestine, Somalia and Vietnam.

## Women

The IVL Foundation in collaboration with Soroptimist International Bangkok sponsored one partial scholarship to a nursing student at Phayao from 2019-2022.

The IVL Foundation was one of the Impact Sponsors of the Dragonfly360 Wo=Men Summit, held on November 2, 2019 at Bangkok. The Summit was designed to awaken strength, courage and happiness in women through the experiences that connected and empowered the community towards gender equality. Over 1,000 participants and speakers from all over the world participated in the Summit.

## Environment

The IVL Foundation aims to raise awareness about proper waste separation in order to bring recyclable wastes into the recycling system. To encourage the communities in doing so, the IVL Foundation has provided various types of waste bins to schools, embassies, temples and hospitals. Total 228 sets of three bins and 73 cages are given to 84 organizations: 39 schools, nine embassies, six hospitals, 23 temples, and seven organizations.
